

The Coupe de Ville

This package includes:

- Coverage from the time you arrive at your ceremony up until the reception begins and everything in between ...
 - ceremony
 - family pictures
 - wacky fun location shooting...
- Two high resolution DVDs with all the photos from the day (hundreds and hundreds) for you to watch over and over again and to make your own additional prints
- Your choice of 2 proof books featuring 400 4x6's in colour and black and white

OR

- A simple yet elegant scrapbook style album with 20 8x10's showing the most stunning photos from the whole day
- an engagement photo
- Photographer's assistant fee included.

I shoot mostly digital these days although my first love, of course, is real film. If you would like to have your wedding photographed in this timeless fashion, it is available for an additional cost of \$500 and the negatives are yours to keep!!

During this time we can go to as many locations as you like and there will never be any extra fees.

Package price:

\$3,000.00

Prices do not include GST

Booking Deposit

All bookings are required to pay a \$1,500.00 deposit within 48 hours to reserve the day. The deposit is fully refundable in the event that I am incapacitated and unable to shoot your wedding. If you cancel your wedding the deposit is non-refundable but if you just change the date to another that I am free, it is transferable.
